NITECORE®

NUP20

Utility Pouch

- **Hard-Use Military-Spec 1000D Nylon**

High Strength
Light-Weight
Outstanding Bearing Capacity

- **Velveteen Synthetic fabric**

Laser Cut
All-Weather Use
Excellent Resistance To Water And Fouling

NITECORE®

NUP20

Utility Pouch

1000D Nylon Fabric Construction

High Strength | Light-Weight | Outstanding Bearing Capacity

- Hard-use military-spec 1000D high tensile strength nylon ensures excellent resistance to rips and ruptures
- Coated exterior ensures excellent resistance to water and contamination
- High strength and lightweight construction ideal for all-weather use

Velveteen Synthetic Fabric Molle System

- The lightest weight with the highest strength
- Outstanding resistance to water
- Resistant to tear, and widely used in the construction of assault boats

- High precision laser cutting technology creates a clean and smooth edge
- Accepts modular attachment and enhances the storage capacity

NITECORE®

NUP20

Utility Pouch

Reinforced handheld grip

Molle System

Frontal Laser Cutting Molle System
Allows for modular storage expansion

NITECORE®

NUP20

Utility Pouch

- High strength nylon webbing attachment system

- Detachable Nylon Joining Webbing
Allows quick connection and disconnection
with a modular storage system

- Adjustable Shoulder Strap

NITECORE®

NUP20

Utility Pouch

• Double-Layer Fabrics

• D-Ring

• Quick Opening Pull Tab

Double-layer 1000D nylon bottom & side construction provides reinforced strength

NITECORE®
